

## Welcome to a Sustainability Tour and a Community & Green Mapping Learning Exchange in Malmö!

Öresundsklassrummet, Green Map System, and the Common Ground Network welcome community, academics, students, NGOs and civil servants to discover the sustainable City of Malmö and participate in a workshop which will highlight current action in the community and global mapmaking movements.

### Monday April 7th 2014

**12.00 Lunch and welcoming**

**1-5 pm Study visit in Malmö**

Explore two sides of Malmö; Sweden's first urban area with climate-neutral energy systems and new sustainable construction projects in the Western harbor, as well as an older residential area with solutions to transform into a more sustainable district with public participation.

**6 pm Dinner**

### Tuesday April 8th 2014

**9-12 Showcase by Participants; Discussion**

Bring a 10-minute presentation of your community and/or Green Map projects to share.

Intro to Global Green Maps: Wendy Brawer

Intro to Community Mapping by Canadian-Based Collaboratory: Maeve Lydon

Intro to Malmö, Regional Mapping and Planning: Linnea Uppsäll and Tor Fossum

**12-1 pm Lunch**

**1-3 pm Building our Work Together**

Break Out Sessions on:

- Project Planning and Design; Youth projects, Community Inclusion and Engagement
- Network and Project Strategies for ongoing collaboration
- Campus-Community Partnership Strategies

### Venue

Helix, Nordenskiöldsgatan 17, Malmö, Sweden

### Pre-Registration Necessary

Both days are free of charge, including lunch and dinner. Space is limited. Please register by March 28, e-mail: [linnea.uppsall@malmo.se](mailto:linnea.uppsall@malmo.se).
