RECOGNITION BEGINS ON GREEN MAP'S WEBSITE

Depending on the level of sponsorship you select, your brand can be featured on:

- GreenMap.org's homepage
- Our Sponsors Gallery
- Alongside the project you sponsor
- In related press and outreach resources

WE OFFER MOBILE INTERNET EXPOSURE

Our mobile Green Map resources for tourists and residents offers great visibility!

- The new Green Map iPhone App can include your brand
- Our mobile website connects you with users worldwide on any internet-enabled phone, promoting your support to strategic audiences.

CUSTOM RESOURCES FOR YOUR WEBSITE

Proudly display your sponsorship and passion for a sustainable future. Green Map System would be delighted to work with you to provide exciting design elements – widgets, badges, banners – that enhance your website, blog and digital media.

PROMOTIONAL MATERIALS

We can work with you on print graphics that announce your Sponsorship of Green Map System in promotional materials, including:

- Print-quality ads ideal for your annual report and other printed materials
- Resources for your press kit
- Certificates, promotionals, and more.

CORPORATE SOCIAL ACTIVITIES

Green Mapmaking with your colleagues benefits your community and makes a sustainability or CSR program come alive with positive local impacts!

In-house, Green Mapmaking can:

- Spur efficiencies that save resources, CO2 and money
- Encourage culture change to support your investment in green buildings and other sustainability measures
- Support efforts to work with your community's youth, elders and educators.
