Wind Energy Site

Water Energy Site

Water Recycling

Geothermal/ Ground Heat Site

Green Building

Green Roof

Self-Built House

Composting Site

Scientific Research Site

Green Technology

G.H.G. Reduction

Energy Conserv'n

Paper Reduction Site

Green Cleaning

## HAZARDS & CHALLENGES

Waste Dump

Contaminated Site

Brownfield Site

Vulnerable Site

Habitat at Risk

De-forestation

Climate Changed

Disaster Area

Abandoned Site

Unhealthy Spot

Noise Pollution

Airport

Oil /Gas Facility

Nuclear Facilities & Waste Site

Mining Site

## CULTURAL CHARACTER

Cultural Show

Local Music

Lively Spot

Artisan /Art Studio

Traditional Way of Life

Historical Feature

Archaeo-logical Site

Traditional Neighborhood

Diverse Neighborhood

Community Center

Child Friendly Site

Senior Friendly

Eco-spiritual

Alternative Health Resource

Memorial/Site of Conscience

## FLORA

Natural Area

Special Tree

Native Forest /Plants

Garden

Community Garden

Spring Blossoms

Autumn Leaves

Rapidly Renewable Plants

Food Gathering Site

Park/ Recreation Area

Public Space/ Square

Sports/ Play Space

## OUTDOOR LIFE

Eco-tour/ Walk

Swimming

Canoe/ Kayak Site

Sailing/Row Boat Launch

Skateboard Site

Dog Run
